## REPORT OF THE SELECTMEN

### To the Citizens of Moultonboro

There are subjects that we would like to discuss with you in the report for 1948 pertaining to the past year and the year to come. Most of our report will be dealing with facts and figures and our thoughts relating to various Town issues. We will break down parts of our detailed statements that follow this report into explanations which we hope will answer questions that may arise in your mind.

In our detailed statements of expenses you will notice that for the year 1947 our Police Department cost was $457.92 against an estimated budget of $200.00. This was due to a marked increase in the number of calls received by members of the Police Department by various citizens of the Town.

Last year we expended, as you will note, $2,966.19 for the cost of operating the Fire Department and the control of forest fires. However, this appears worse than is an actuality. We received from the Town of Sandwich and the State of New Hampshire for the Sandwich Notch fire $1,417.51 which covered the total expense for fighting that particular fire as far as this Town was concerned. During the past fall we had the worst threat of forest fires that can be remembered. We found that the Towns surrounding us had installed fire patrols covering all sections of the Town. It seemed a necessity for us to follow the same procedure and this was done at a cost of $602.03. Our actual overdraft, however, for the Fire Department and for fighting forest fires was $532.49. We might consider that our Town, in relation to other Towns in this State, was very fortunate.

Under Health, you will find an expenditure of $1,309.11. A good part of this, $819.63, was the initial cost of putting the Town Dump into its present shape.

Conditions were such from the standpoint of cleanliness that they had to be rectified for home owners within that certain radius. It is our plan to keep a man at the dump three days a week during the summer and for a day during the winter months. It would seem that by doing this we can solve the Town Dump problem.

No one questions the fact that roads cost money. We need them in our present day set up and grumble loudly about their management. However, with the increased building of our roads, we have increased the valuation of our Town to the point where today she ranks third in valuation among the other Towns of Carroll County. You will note, under Town Maintenance of Roads, an overdraft of $3,056.79. A percentage of this would seem to be from the west side of Town where winter maintenance had been costly in 1947. This factor was not due to the present road agent on the west side and cannot be considered as the fault of anyone. It would seem quite possible that more money was needed for this section. Of course, you must also consider increased operational costs and increased wages. Starting the 7th of February 1948 all items, such as wages and material costs, etc., are being broken down and paid by the Town Treasurer. This gives the Selectmen a better chance to warn road agents that they are nearing their allowance for any particular item or road and also will eliminate confusion in the bookkeeping of the road agents.

The budget picture as a whole, however, for 1947 can be considered as good. Although we had overdrafts of $5,796.31, we had on the other side of the budget an unexpended amount of $5,428.18. This meant that our actual overdraft for last year was $368.13. We believe that in times such as these that this figure can gather nothing but favorable criticism.

It has been the policy in the past few years to use the cash surplus to defray a raise in the Town tax rate. Last year we cut the amount of money that had formerly been taken from the cash surplus to keep the

tax rate down by one half. In the future we cannot count on the surplus which is $4,672.03 as of date to delete the tax rate.

You will find this year, as has been true in the past few years, an increase in the budget for 1948. Increases in County taxes and the proposed School Budget and our proposed Budget bring this about. We are not alone in this problem. Every other community is faced with higher costs of roads, of education, and of its general maintenance. We realize that it is our job to see that the people of the Town of Moultonboro receive all possible benefits of the money spent and we have endeavored to do that. Good roads and schools would attract others to our Town. New industry to the mutual advantage of all should be encouraged to locate in the Town of Moultonboro. With miles of shore frontage still undeveloped in the Town today, new building should be encouraged. All this tends to enlarge our tax base, the valuation of our Town. We move toward those things we need but cannot afford today. Let us all boost this community in which we live.

## STATE OF NEW HAMPSHIRE

---

## TOWN OF MOULTONBORO

## TOWN WARRANT

---

To the inhabitants of the Town of Moultonboro, in the County of Carroll, in said State, qualified to vote in Town affairs.

You are hereby notified to meet at the Town House in said Moultonboro, on Tuesday the 9th day of March 1948, at ten of the clock in the forenoon to act upon the following subjects:

1. To choose by ballot and major vote, a Treasurer, Clerk, Tax Collector, one or more not exceeding three Highway Agents, three Auditors, one Selectman for three years, two Library Trustees for three years, two Trustees of the Trust Funds for three years and such other officers and agents as the voters may deem necesary.

2. To raise and appropriate such sums of money as may be necessary to repair Highways and Bridges in said Town.

3. To see if the Town will vote to raise and appropriate the sum of $700.00 to finish grading the highway on Long Island from Greene's gate to the entrance of the public wharf road. (By request)

4. To see if the Town will vote to raise and appropriate the sum of $660.57 for Town Road Aid.

5. To see if the Town will vote to raise and appropriate the sum of $1,000.00 for the maintenance of the Fire Department.

6. To see if the Town will vote to raise and appropriate the sum of $400.00 as the Town's share of the cost of fighting Forest Fires.

7. To see if the Town will vote to raise and appropriate the sum of $3,000.00 for State Aid Construction.

8. To see if the Town will vote to raise and appropriate the sum of $500.00 for the purpose of dredging a boat basin at Lee's Mills, the land to be deeded by John McKinney to the Town of Moultonboro.

9. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

10. To see if the Town will vote to allow a discount on taxes paid in full up to fifteen days after the approval of the tax warrant.

11. To see if the Town will vote to raise and appropriate the sum of $1,700.00 for the maintenance of the Public Library.

12. To see if the Town will vote to raise and appropriate the sum of $1,000.00 for the Support of the Poor.

13. To see what sums of money the Town will vote to raise and appropriate for the Laconia and Huggins Hospitals.

14. To see if the Town will vote to raise and appropriate the sum of $100.00 for the Observance of Memorial Day.

15. To see if the Town will vote to raise and appropriate the sum of $1,000.00 toward the preservation and upkeep of Town Cemeteries.

16. To see if the Town will vote to commence a Town History and raise and appropriate money for same.

17. To see if the Town will vote to install a street light on the pole opposite the bridge by Fred Berry's. (By request)

18. To see if the Town will vote to raise and appropriate the sum of $300.00 to help support the Center Harbor Band.

19. To see if the Town will vote to raise and appropriate the sum of $220.00, which is 1/100 of 1% of the assessed valuation of the town, to the Lakes Region Association for the purpose of publicizing and promoting the natural advantages and resources of the Town, in cooperation with other towns in the Lakes Region.

20. To see if the Town will authorize the Selectmen to appoint a Zoning Commission of five members to draw up a Zoning Ordinance for the Town of Moultonboro, as authorized by the Community Zoning Enabling Act, Chap. 51, Sections 50-71 Revised Laws of New Hampshire 1942. Zoning Laws as drawn by this Commission to be presented as an article in the 1949 Town Warrant, for approval by the voters.

21. To see if the Town will vote to install a flicker light on the pole opposite the Huston Grille. (By request)

22. To see if the Town will vote to install a light on the pole opposite the Louise Hanson house. (By request)

23. To see if the Town will vote to authorize the Selectmen to have the State Highway Department erect Speed Zone signs and raise and appropriate money for same.

24. To see if the Town will vote to raise and appropriate the sum of $400.00 for the Control of White Pine Blister Rust.

25. To see if the Town will authorize the proper authorities to change the spelling of the Town from Moultonborough to Moultonboro, — now common usage.

26. To transact any other business that may legally come before said meeting.

Given unto our hand and seal this 18th day of February, A. D. 1948.

## AUDITOR'S REPORT

We, the undersigned, Auditors of the Town of Moultonboro, certify that we have examined the foregoing accounts of Moultonboro for the year ending December 31, 1947, and find them correctly cast and properly vouched.

Roger C. Larson
James N. Solomon
AUDITORS

## LIBRARIAN'S REPORT

Again another year has rolled by and another librarian's report must be made.

The library is open on the same schedule as in other years. On Wednesday afternoon from 3 o'clock to 5 o'clock and in the evening from 7 o'clock to 8 o'clock and on Saturdays from 2 o'clock to 4 o'clock and in the evening from 7 o'clock to 8 o'clock. And if any students need especial references, I will be glad to go to the library with them at almost any time.

Books are borrowed from the Bookmobile, which is scheduled to call about every ten week, and the State Library has given excellent service in fulfilling special requests for books and references which our library does not own.

Last year 246 books were added to the library. Of these, 150 were fiction, 57 were childrens' and 39 were non-fiction books. Fiction books circulate a great deal more than any other type, therefore it seems as though the library always needs more current fiction.

New persons become borrowers from time to time, and I hope that more and more of our townspeople (both permanent and summer residents) will avail themselves of our town's facilities to enjoy good books. As it is very hard to get unbiased previews of books, sometimes the selections are disappointing.

I hope the townspeople have enjoyed reading and using the library as much as I have enjoying serving you this past year.

| **The circulation is as follows:** | 1947 | 1946 |
|---|---|---|
| Fiction | 1849 | 1647 |
| Non-fiction | 421 | 468 |
| Juvenile | 669 | 629 |
| Magazines | 368 | 368 |
| Total | 3307 | 3112 |

Respectfully submitted,

Adele V. Taylor Librarian

## REPORT OF LIBRARY TREASURER

## 1 9 4 7

### Receipts

| | | |
|---|---|---|
| Cash on hand from Treas. 1946 | $728.61 | |

## FOREST FIRE SERVICE

### Forest Fire Problem Serious

The year 1947 was one of the worst periods of drouth and forest fire occurence in eastern United State's history. Lack of water ruined crops, lowered water levels and dried up brooks everywhere. Three months of deficient rainfall and abnormally high temperatures resulted in many fires which were mostly well controlled and kept within bounds. Only the high winds beginning on October 23rd caused a few fires to escape beyond immediate control. These few fires resulted in burning some 15,000 acres and the loss of 63 or more buildings in four New Hampshire towns.

All October fires were costly. They burned deeply in the ground and required day and night patrol of large crews of men until the rains came late in October. Towns which escaped from serious fires might easily have been in the midst of the most serious conflagrations we had.

Governor Dale closed the woods effective at midnight of October 15th. With the blow-up of October 23rd, a second proclamation closed all back roads and authorized towns to inaugurate patrol. The effect of this was to cut down subsequent fires for the rest of the dry period.

Local fire warden forces performed an admirable job to hold the more than 200 fires that occurred during this October period. Many men were taxed to the utmost as the emergency continued. To them and all those who did their work, the people of New Hampshire owe a debt of gratitude. The state forest fire control agency based on local town wardens and town crews wherever adequately equipped rose to the occasion and met the test in whatever town their services were needed.

It is now time to take stock of our fire fighting facilities for the season ahead and to make them adequate where necessary. To this end town fire plans and training programs for wardens, deputies and other key men in each district are being arranged or in progress. If equipment and tools are isufficient properly to equip the available man power in each community with the right tools for the job, they should be provided for at once. The yearly addition of fire tools to the town supply will generally need to be built up. The state sells tools to the towns and shares one-half their cost. Good equipment is important and can help greatly to keep both damage and fire costs at a minimum.

For many years we have requested our wardens not to issue burning permits except on rainy days. This regulation will be in effect again this year as it is one of the best means of assuring such fires from getting out of control. Nine out of every ten fires can be prevented. 98 per cent of all fires being due to human carelessness. Be sure to get a permit for any fire in or near a woodland when the ground is free from snow. Be sure your fires are always out before you leave them. Help us in getting the travelling public to keep from throwing out lighted matches or cigarettes. Be careful of all fires in or near woodland.

Stephen H. Boomer, District Chief

**1947 Fire Record:**

| | |
|---|---|
| Number of Fires | 6 |
| Acreage Burned | 4.1 |
| Number Fire Permits Issued | 49 |

# School Report

## THE STATE OF NEW HAMPSHIRE

## SCHOOL WARRANT

To the Inhabitants of the School District in the Town of Moultonboro qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said District on the 9th day of March 1948, at one o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the District.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen and pass any vote relating thereto.

7. To choose Agents, Auditors and Committee in relation to any subject embraced in this Warrant.

8. To see if the District will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the District, as determined by the School Board in its annual report.

9. To see if the District will raise and appropriate the sum of $2,500.00 to provide adequate water supply by driving an artesian well at the Moultonboro Corner School.

10. To see if the District will vote to build additional classrooms at the Moultonboro Corner School as recommended by the School Board.

11. To see of the District will vote to appropriate the sum of $22,500.00 for the building of additional classrooms at Moultonboro Corner School and purchasing equipment for the same; and in order to provide funds for this purpose, to authorize the School Board to issue serial notes or bonds in the name and on the credit of the District in this amount in conformance with existing statues.

12. To see if the District will vote to specify the date when the School Board shall sell the Ambrose School at public auction.

13. To transact any other business that may legally come before the meeting.

Given unto our hands at said Moultonboro this 17th day of February 1948.

Abby S. Belden
Fred R. Edwards
Charlotte Ames

## SCHOOL CALENDAR

### 1948 — 1949

| Schools Open | | Schools Close |
|---|---|---|
| September 8, 1948 | (16 weeks) | December 23, 1948 |
| January 3 1949 | (7 weeks) | February 18, 1949 |
| February 28, 1949 | (8 weeks) | April 22, 1949 |
| May 2, 1949 | (7 weeks) | June 17, 1949 |

### HOLIDAYS

| | |
|---|---|
| October 12, 1948 | Columbus Day |
| November 25, 26, 1948 | Thanksgiving |
| May 30, 1949 | Memorial Day |

Total number of school days according to above calendar is 183. The minimum allowed by State Board regulations is 180. This means that days lost due to bad weather or other causes must not exceed 3. Any days missed, in excess of 3, must be made up, probably by lengthening the school term after June 17.

Time taken during the year for Institutes or attendance by teachers at educational meetings, not to exceed 8 days, need not be made up.

## REPORT OF SCHOOL NURSE

The following is the report of the School Nurse for the past year:

| | |
|---|---|
| Pupils Inspected | 102 |
| School visits | 71 |

The pupils have been weighed and measured twice during the year.

Vision tests have been taken with the telebinocular.

Individual inspections were made when necessary for head and skin conditions.

Dr. Turley did the physical examinations. Results of examinations:

| | |
|---|---|
| Defective teeth | 17 |
| Defective vision | 6 (5 have been corrected) |
| Defective speech | 2 |
| Enlarged tonsils | 4 |

A toxoid clinic was held in March, sponsored by the State Board of Health.

The local Red Cross organization in cooperation with the Federal Government furnished one-half pint of milk for each pupil last winter. This winter it has been taken care of by the children's lunch fund and the Government allowance.

We hope to have a dental clinic this spring. During the war years it was impossible to procure a dentist.

I have appreciated the cooperation of those who have assisted in carrying out the health program.

Respectfully submitted,

Eva A. Heney, R. N.

## SUPERINTENDENT'S REPORT

**Overcrowded Classrooms:**

The Moultonboro school board has transferred all pupils who formerly attended the Village school in Center Harbor to Moultonboro Corner school. This move was made for three reasons. First, the Center Harbor school was over-crowded; second, the Center Harbor board had increased the rate of tuition to $100 per pupil; and third, the Moultonboro Corner school offered improved facilities, such as steam heat, running water, flush toilets and hot lunches.

This change resulted in a material increase in school enrollment. To adapt ourselves to this crowded condition we assigned grades 1, 2 and 3 to the primary room, grades 4, 5, 6 and 7 to the grammar room and sent our three 8th graders to Meredith to the junior high school. This will eliminate the need of graduation exercises in June of 1948. This plan for our 8th grade cannot be continued another year because there will be about 14 to graduate in 1949 and it would not be practical to send so many out of town.

The school board and myself are prepared to recommend the building of a two-room addition at Moultonboro Corner this summer. As we expect to have about 100 pupils, there will be enough for four classes, two grades in each room. This plan will accommodate all pupils in the district. We would hope to provide improved lunch facilities and possibly some manual training for the 7th and 8th grades. An artesian well would probably also be needed as our present water supply failed during the prolonged dry weather last fall.

**Cooperative School Districts:**

A law passed by the 1947 Legislature makes it permissible for two or more districts to join together and pool their resources to maintain schools. Several sections of the state are considering this matter seriously, especially with reference to high schools. It is said that a good variety and quality of high school education cannot be provided at a reasonable cost in a school of less than 300 to 400 pupils. There are many high schools in the state today that are smaller than this minimum. People are giving serious thought to the establishment of larger schools by joining two or more small ones into one unit.

According to the new law, each district that wishes to join such a cooperative enterprise needs to approve this action at a district meeting. Many school districts are including in this year's warrant an article to authorize the school board or a special committee to make a study of this prodlem and bring in recommendations at a future meeting The advantages and disadvantages of such a plan must be carefully studied with reference to the individual district before any definite action is taken.

One result for Moultonboro if this district should vote to become part of a cooperative school district would be in the matter of control. As it now stands, we send tuition pupils out of town but our school board has no authority with reference to the administration, financing, or choice of teachers in high school. The new law would give each district representation on the cooperative school board and each district would share the cost of instruction maintenance in proportion to the number of pupils enrolled from that district.

**Teacher Shortage:**

The supply of teachers, especially in the elementary grades, is still far from meeting the demand through-

out the state. Less than 40 are graduatieg next June from our teachers' colleges with work in this field and the demand in September will be at least five or six times that many. We must continue to depend for several years yet upon people who formerly taught and who are willing to go back to this work, and we must try to interest more young people to enter the profession of teaching. Organizations such as parent-teacher associations and women's clubs can assist by sponsoring programs which will help to interest young women, as well as young men, in this profession, it will be several years before the supply can possibly meet the demand in this important field of service.

Respectfully submitted,

Almon W. Bushnell

Superintendent of Schools
